

## **Senior Corporate Development Professional**

For the successful candidate, this is an opportunity to get involved in a leadership role with an entrepreneurial group focused on growing and developing a portfolio of assets and companies. This position will report and work closely with the entire team on all facets of our businesses.

### **What we are looking for:**

- Toronto-based, individual with knowledge of all aspects of the mining industry.
- 5+ years of prior experience in Investment Banking, Investor Relations or Corporate Development is a must.
- A degree in geology, mining engineering, business, or finance.
- An Individual who is ambitious, highly motivated and eager to work hard.
- An individual who is willing to take direction but also be able to take the lead.
- An individual with strong attention to detail.

### **What we offer:**

- To be part of a dynamic team within a quickly growing company.
- Professional growth and development through hands-on work experience.
- Competitive wage and incentives.

### **Responsibilities:**

- Identifying, monitoring, and evaluating target assets and companies.
- Technical and financial due diligence.
- Preparing economic and financial analysis of corporate development opportunities creation.
- Develop new relationships with external parties including mining companies and investment banks.
- Maintain and update databases relevant to corporate development activity.
- Assisting in investor relations.
- Special projects as needed.

### **How to Apply.**
